

# CINDI'S SIN CITY

*Hooker works neighborhood while kids wait for school bus*

Despite months of complaints to Cindi Hutchinson by former neighborhood President Ray Dettmann, the hooker problem in Poinciana Park went unchecked. Here a hooker walks the same block where kids wait for their school bus (5/20/05). Arrows show her direction of travel. Finally, after Cindi was publicly embarrassed by the first SIN CITY flyer, the problem was greatly reduced. — Cal Deal
